THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI DILIP RAY): (a) and (b) As reported by Coal India Limited, a transfer policy is in existence in Coal India Ltd. since 1994, as per which executives of M-1, M-2 & M-3 Grade who are working for more than ten years are transferable to other subsidiaries. The transfer policy further stipulates that large-scale transfer is to be avoided but at least 10% of the executives satisfying the criteria should be transferred each year. In order to effectively implement this transfer policy, a decision was taken in the year 1998 to transfer 20% of executives each year based on station seniority. Accordingly; in the year 1998 the following number of executives have been transferred to other subsidiaries:

M-1	167
M-2	62
M-3	19
Total	248

(c) and (d) There will be some officers remaining at the same place for more than ten years, as all the officers cannot be transferred at one time since such mass transfer will have adverse impact on work. For this reason 20% of executives of M-1, M-2 & M-3 are begin transferred out every year.
